To Whom It May Concern:

I hope this letter finds you well. I am writing to you on behalf of the Parent-Teacher Fellowship of First Baptist Christian Academy, a distinguished institution committed to providing quality education rooted in Christian values. We are currently in the planning stages of an exciting event that I believe aligns with the values and interests of your business.

Our school is organizing an Art Gallery Fundraiser, which will take place on April 27, 2024 at our new campus at 1 Pine Lakes Parkway in Palm Coast. The purpose of this event is to raise funds for a special project close to our hearts—the installation of a playground at our new campus. The playground will not only enhance the learning environment for our students but also serve as a recreational space for those utilizing before and after care for working parents.

Our fundraising goal for this initiative is \$30,000, and we are reaching out to local businesses for support and partnership. By sponsoring our Art Gallery Fundraiser, you will not only be making a positive impact on the lives of the students at First Baptist Christian Academy but also contributing to the overall well-being of our community.

We believe that a partnership with your business would be mutually beneficial, providing your organization with exposure to our school community and beyond. Your contribution will be acknowledged in our event materials, including promotional materials, social media campaigns, and during the event itself. Additionally, we are open to discussing any specific promotional or advertising opportunities that would be of value to your business. Attached are the sponsorship levels and sign-up sheet.

Thank you for considering our request, and we look forward to the possibility of working together to create a lasting impact on the lives of our students and community. Please feel free to contact our PTF President, Erin Walker, at fbcaptf@gmail.com to discuss this opportunity further.

Sincerely,

First Baptist Christian Academy, PTF Member
